<p>Whereas on June 25, 2012 Sault Ste. Marie City Council, upon receiving correspondence from the Ontario Convenience Stores Association, passed a resolution to support provincial budget commitments to eradicate contraband tobacco through implementation of additional regulatory, enforcement and other provisions in Bill 186 and amendments to the Tobacco Tax Act to increase fines, give more authority for law enforcement officials and strengthen strategies to address the manufacture and supply of contraband tobacco; and Whereas additional information found in a 2012 slide deck from Imperial Tobacco Canada Ltd. (ITCL) has recently come to light suggesting that the National Coalition Against Contraband Tobacco (NCACT) and the Ontario Convenience Store Association (OCSA) worked on behalf of ITCL to convince Ontario municipalities of the importance of the contraband tobacco problem; and Whereas the 2012 ITCL slide deck makes clear that the anti-contraband campaign pursued by the NCACT and the OCSA in Ontario is designed in part to block tobacco excise tax increases and regulation of tobacco products generally; and Whereas these other campaign objectives were not communicated to municipalities by either the NCACT or the OCSA during meetings with municipal staff or councillors; and Whereas tobacco excise tax increases are proven to be an effective means of encouraging tobacco cessation; and Whereas contrary to tobacco industry messaging, impartial research by the Ontario Tobacco Research Unit at the University of Toronto has shown that tobacco excise tax increase do not lead to large increases in contraband; and Whereas the City of Sault Ste. Marie passed a 2015 resolution to support the 5 in 5 Algoma district strategy to reduce smoking rates by 5% in 2020; a target that requires the protection of our youth from tobacco industry products, tobacco tax increases to encourage smokers to quit and to raise revenue to offset the healthcare costs of tobacco use, which are more than double the current revenue raised from provincial tobacco taxes, to be achieved. Now Therefore Be It Resolved that the City of Sault Ste. Marie rejects the tobacco industry anti-contraband campaign; and Further that that the City of Sault Ste. Marie express to the Provincial Government its support of measures to encourage the cessation of smoking, thereby decreasing the significant healthcare costs associated with smoking and its support of measures to enhance enforcement activities designed to reduce the presence of contraband tobacco in Ontario communities.</p>
