

## **REVIEW OF STREET CLOSURE PROCEDURE**

Mover: Matthew Shoemaker

Secunder: Paul Christian

**WHEREAS** the Council Agenda often contains requests for street closures; and

**WHEREAS** Council has not once this term refused a request for a street closure; and

**WHEREAS** agencies must time their requests for street closures in order to meet the agenda deadline of Council;

**NOW THEREFORE BE IT RESOLVED THAT** staff review the street-closure procedure or policy and determine if requests for street closures can be simplified, streamlined, and expedited.
