

**Motion to request a report from City staff on the Fire/Emergency
Medical Services realignment plan**

Mover: Judy Hupponen

Seconded: Matthew Shoemaker

WHEREAS City Council approved the Fire/Emergency Medical Services realignment plan October 26, 2015; and

WHEREAS Senior Management Team has begun implementing said plan since October 26, 2015; and Whereas it has recently been suggested publicly that the Ontario Fire Marshal can be retained to do a 'comprehensive risk assessment' in Sault Ste. Marie at the request of City Council; and

WHEREAS City Council should receive an update on the Fire/Emergency Medical Services realignment plan from staff; and

WHEREAS City Council should receive a report from staff about what a comprehensive risk assessments is and how and when it would recommend one is undertaken;

NOW THEREFORE BE IT RESOLVED that the Chief Administrative Officer be requested to report back to City Council providing City Council with the following information outlining:

1. A 90-day update of how the Fire/Emergency Medical Services realignment is proceeding; and
2. An explanation, outline and update on Fire/Emergency Medical Services ongoing risk assessment; and
3. An explanation of what a 'comprehensive risk assessment' is and when one should be undertaken by a municipality; and
4. A recommendation on whether City Council should direct that a comprehensive risk assessment is undertaken; and
5. If so recommended, recommendations on when and how the comprehensive risk assessment should be undertaken
