<p>WHEREAS the City of Sault Ste. Marie has a process in place to dispose of surplus land; and</p> <p>WHEREAS the City's policy on the disposition of surplus land does not take into consideration whether the property is a small parcel of land, or a developable parcel of land in determining how to market the surplus land; and</p> <p>WHEREAS developable parcels of land can draw greater interest if advertised through professional realtors; and</p> <p>WHEREAS any parcel of land in excess of 400 m² should be considered developable;</p> <p>NOW THEREFORE BE IT RESOLVED THAT City staff, with input from the Sault Ste. Marie Real Estate Board develop a policy whereby surplus City land is advertised for sale with local realtors in order to maximize the value for taxpayers in the sale of said land and further that staff update the surplus land disposition policy.</p>	<p>YEA</p>	<p>Mover: M.Shoemaker Seconder: S.Butland</p>	<p>Passed</p>																
<p>WHEREAS the CTV W5 program "Steel Town Down" focused on the opioid crisis across Canada, and how it is affecting mid-sized cities like Sault Ste. <p>Whereas for a number of years City Council has provided \$50,000 in funding to a service provider (Red Cross) to support residential snow removal for seniors; and Whereas there are a number of seniors and individuals with medical needs who are able to remain living at home because of this support; and Whereas there is an increasing number of members of our community who require additional affordable snow removal services at their residence during exceptional snow events to address matters such as extra heavy snowfall or road cutting that goes beyond what a domestic snowblower can remove and beyond what they can afford; and Whereas it is the will of City Council to look at options for providing further snow management assistance to qualifying residents through our current or new homemaker service provider;</p> <p>Now Therefore Be It Resolved that appropriate City staff be request ed to review the current program for assistance provided through the Red Cross and report back to Council as follows:</p> <ol style="list-style-type: none"> 1. How is the current City funding being used; what is the process for an individual to receive assistance and for what service? 2. Red Cross has advised effective March 2018 they will no longer be the service provider so what will happen to the City’s \$50,000 funding? 3. Provide options from the third party homemaker services provider as to how much it would cost to expand the current program to offer windrow removal considering the Brantford model or any other approach deemed optional.
