Resolved that City Council is now authorized to meet in open session	YEA		Passed
as the sole shareholder of PUC Inc. and PUC Services Inc.; and			
Further Be It Resolved that City Council appoints Mayor Christian			
Provenzano as Council's proxy to vote on the resolutions of the			
shareholder of PUC Inc. and PUC Services Inc.			
Whereas the City has been working on developing a comprehensive	YEA		Passed
community project (Future SSM) to support the community as it			1 43304
progresses towards an economically diverse, culturally vibrant,			
socially equitable and environmentally sustainable future; and			
Whereas a number of individuals have been vigorously creating the			
plan by holding focus groups; and			
Whereas the Future SSM Project is to set clear steps as one			
important method to think beyond specific sector needs and			
address urgent issues for the entire local economy, including:			
community infrastructure,			
social development,			
labour force development,			
education and training development and			
<ul> <li>business retention and expansion; and</li> </ul>			
Whereas this is critical to the future of our community; Now			
Therefore Be It Resolved that the Deputy CAO Community			
Development and Enterprise Services be requested to provide			
quarterly updates to keep Council and the community abreast of the			
progress being made by the committees and individuals involved.	YEA	Mover: M.Shoemaker	Passed

Whereas opioid and other illicit drug use is a significant public health issue in communities across Canada, including the City of Sault Ste. Marie; and	YEA	Mover: M.Shoemaker Seconder: R.Niro	Passed
Whereas the health harms of illicit drug use include not only addiction and overdose, but also an increased risk of blood-borne infections; and			
Whereas Algoma has a high burden of hepatitis C, a blood-borne infection which is strongly linked to injection drug use, based on information presented by the Sault Ste. Marie and Area Drug Strategy; and			
Whereas per provincial data visualized by the Sault Ste. Marie Innovation Centre, the level of overdoses in this area suggests it may benefit from accessible harm reduction services such as needle exchange; and			
Whereas on April 23, 2018 the Council of the City of Sault Ste. Marie committed to "continuing to work with and support the collective efforts of Algoma Leadership Table, Sault Area Hospitals, Group Health Centre, Algoma Public Health, Sault Ste. Marie Police Services and the Drug Strategy Committee to collectively address the opioid crisis and its consequences"; and			
Whereas the Algoma Leadership Table is currently conducting an assessment of the needs and programing available in the community to determine where resources should be focused; and			
Whereas the assessment by the Algoma Leadership Table will review the needs and programming not just in the City of Sault Ste. Marie, but across the District of Algoma;			
Now Therefore Be It Resolved That the City of Sault Ste. Marie request that City staff work with the Algoma Leadership Table and engage other community partners as necessary to assess the need for harm reduction and health equity services specifically in Jamestown, in addition to the current needs assessment being undertaken by the Algoma Leadership Table, and report back to Council, and			
Further Be It Resolved That City staff work with the Algoma Leadership Table and other community partners as necessary, to provide Council with an estimate of the cost for the establishment of said harm reduction and health equity centre.			
Whereas City Council recently passed a motion requesting City staff to address actions required to ensure compliance of properties in the Jamestown area, with the Minimum Standards and the Dirty Yard By-laws; and	YEA	Mover: R.Niro Seconder: M.Shoemaker	Passed
Whereas the intent would be to initiate the findings of said request in the Jamestown area, and subsequently address all other areas of the City as required; and			
Whereas the Minimum Standards and Dirty Yard By-Laws do not address the problem of property owners discarding unwanted items, garbage and debris into City-owned laneways; and			
Whereas the City By-Law Enforcement Officer cannot issue a violation notice to a property owner without proof that the items were actually placed into the City laneway by that property owner; and			
Whereas Public Works and Engineering Services does not generally pick up discarded items, debris, and garbage from an unmaintained laneway, and that each situation may require its own investigation; and Whereas it is not in the City's best interest to leave this debris and garbage to accumulate in City laneways;			
Now Therefore Be It Resolved That Public Works and Engineering Services, the Legal Department, and the Building Division investigate the problem of discarded items, debris, and garbage being placed in City laneways by property owners, and report back to Council with a solution on how to keep the City laneways clean, and			

estimate of keeping laneways clean from debris and garbage, and			
ways of recovering costs from property owners who are found to be			
in violation of the practice of placing debris and garbage in City laneways.			
Whereas bicycling is more than a practical, cost-effective solution to	YEA		Passed
many municipalities; and Whereas it is an opportunity to provide an			
inexpensive activity for families and individuals that provides			
exercise and adds to the quality life that is important to our			
community; and Whereas as a community it is critical to identify and respond to initiatives that improve cycling in and around our city,			
promoting safety; Now Therefore Be It Resolved that the Mayor be			
requested to write a support letter to accompany the grant			
application being completed by the Sault Ste. Marie, Michigan			
Economic Development Corporation for bike racks for the			
international bus.	\/		Desced
Whereas City Council passed a resolution on 2017 04 24 supporting the efforts of the Huron Central Railway to secure the funding	YEA		Passed
necessary to enable the railway between Sault Ste. Marie and the			
CPR connection in Sudbury to continue to provide a short-line			
freight service; and Whereas Genessee & Wyoming Canada have			
recently announced they will suspend operations of the Huron			
Central Railway between Sault Ste. Marie and Sudbury by the end of			
2018, due to a lack of funding from senior levels of government to maintain the railway; and Whereas in 2009, in similar circumstances,			
the City of Sault Ste. Marie facilitated a task force consisting of			
industry stakeholders and chaired by then CAO, Joe Fratesi, which			
was instrumental in enabling the Huron Central Railway to receive			
significant funding from the Federal and Provincial governments to			
rehabilitate the infrastructure along the Sault Ste. Marie to Sudbury rail corridor, Now Therefore Be It Resolved that City Council endorse			
a new task force, led by Councillor Steve Butland and Joe Fratesi and			
including all relevant stakeholders to assist the Huron Central			
Railway to obtain senior government funding to ensure the			
continued operation of the railway.			<u> </u>
<b>Whereas</b> on February 20, 2018 staff brought forward a report to City Council about more than \$500,000 of provincial funding the City of	YEA	Mover: M.Shoemaker Seconder: S.Hollingsworth	Passed
Sault Ste Marie has through the Ontario Municipal Commuter		Seconder. S.Hollingsworth	
Cycling Program (OMCCP); and			
Whereas staff were not directed at that time to bring forward project recommendations for the use of said provincial funding;			
project recommendations for the use of said provincial funding;			
Now Therefore Be It Resolved That staff be requested to bring			
forward to City Council recommendations on projects to use the			
funding available through the OMCCP.
