

FLASHING LIGHTS AT NIGHT PILOT PROJECT

Mover: Matthew Shoemaker

Seconder: Ross Romano

RESOLVED THAT the report of the Deputy Commissioner of Public Works and Transportation dated 2015 12 07 concerning the practice of late night flashing lights at intersections be received and that a one-year pilot project utilizing flashing lights between 11 p.m. and 6 a.m. at the intersections of Wellington Street West and Lyons Avenue, Lyons Avenue and Patrick Street, Wallace Terrace and Korah Road be undertaken; further that PWT staff be authorized to remove all aboveground traffic signals infrastructure at Wallace Terrace and Goulais Avenue; and that the Legal Department be authorized to prepare any necessary amendments to the Traffic By-law.
