

WASTE COLLECTION CONTRACTOR-COLLECTION

Mover: Matthew Shoemaker

Seconder: Ozzie Grandinetti

RESOLVED THAT the report of the Director of Public Works be received, and furthermore that Council direct staff to proceed with the provision of waste collection service via Option 1 (100% contractor curbside waste collection, with the City collecting leaf & yard waste); furthermore that the Contract be awarded to Green For Life; and furthermore that funding of carts be approved using the Landfill Reserve for upfront initial acquisition (\$1,642,566 including HST) with an annual repayment from the savings realized from the contract (approximately \$125,000), with any additional amounts required be applied to the tax levy to replenish the Landfill Reserve.
