

## INVESTIGATE SKATING TRAIL

Mover: Ozzie Grandinetti

Seconder: Matthew Shoemaker

**WHEREAS** many municipalities across Canada have developed skating trails as a new way to keep residents active in the winter months; and

**WHEREAS** a healthy population is a happy and productive population, with lower rates of medical issues and common health problems; and

**WHEREAS** Toronto, Winnipeg, Hamilton, Edmonton, Huntsville and Whitehorse have developed skating trails, either on rivers, or on land, that range from 1 kilometers in length to 11 kilometers in length;

**NOW THEREFORE BE IT RESOLVED THAT** City staff be directed, in consultation with the Parks and Recreation Advisory Committee to explore the opportunities for the development of a skating trail within the City.
