9. Unfinished Business, Notice of Motions and Resolutions Placed on Agenda by Members of Council

9.1 Advertising Opportunities to Reduce Future Tax Increases

Moved by: Councillor S. Spina

Seconded by: Councillor S. Hollingsworth

Whereas the City of Sault Ste. Marie maintains benches, garbage cans, signs other permanent structures and clear areas on the hub trail and throughout the City; and

Whereas these structures and areas are available to be used for advertising opportunities that can generate revenue for the City of Sault Ste. Marie; and

Whereas the revenue generated can be used to maintain the areas on the hub trail and other walkways or build new infrastructure; and

Whereas such revenues can be used to reduce or eliminate future tax increases; and

Whereas the City must look at every opportunity to generate new revenues that can offset future municipal tax increases

Now Therefore Be It Resolved that staff be requested to investigate the ability for these structure, objects and areas to be used as advertising revenue generating tools and that staff report on any restrictions to the implementation of this policy, such as restricting the creation of any structure that may obstruct views and restricting any advertisements on the waterfront, and that the revenue generated from such advertising be used for hub trail maintenance, the maintenance of other walkways and the development of new such trails or walkways in order to reduce any future municipal tax increases.

9.2 Boulevard Gardens

Moved by: Councillor L. Vezeau-Allen

Seconded by: Councillor S. Hollingsworth

Whereas the City of Sault Ste. Marie deems it necessary to regulate the maintenance and use of the boulevard portion of highways under its jurisdiction; and

Whereas the City of Sault Ste. Marie is committed to promoting environmental sustainability as outlined in its Strategic Plan and Greenhouse Gas (GHG) Reduction Plan; and

Whereas boulevard gardens can help beautify streetscape and well-chosen, non-invasive plants that are designed to retain moisture can reduce water usage and the need to use mowers and fertilizers, improving the health of our ecosystem; and

Whereas a key responsibility of the City's Environmental Sustainability Committee is to assist in formulating and recommending environmental and sustainability policies; and

Whereas various horticultural and environmental groups have expressed an interest in boulevard gardens; and

Whereas boulevard gardens can help beautify the streetscapes, and attract pollinators to the area, improving urban ecosystems; and

Whereas communities such as Barrie, Guelph, Caledon and others have developed boulevard garden guidelines and policies; and

Whereas there is a desire to support boulevard gardens;

Now Therefore Be It Resolved that Council request appropriate departments to work with the Environmental Sustainability Committee in developing a revised by-law to support boulevard gardens in the community.
